MEMORANDUM FOR: Project Director

SUBJECT: Continuation of PARAMOUNT Committee

1. You will recall that you requested me to check with Mr. Sheldon after the IAC meeting on Tuesday as to whether there was a desire to continue the PARAMOUNT Committee.

2. I talked with Mr. Amory this morning and learned the matter had not come up at the IAC meeting, but that Mr. Amory, on the basis of information he received from Kim Roosevelt, felt it would be unwise to abolish the Committee at this time.
